

COACHES CLUB

2024-2025 Academic Year

What is the Coaches Club program?

The Coaches Club provides supporters of New College Athletics an exclusive opportunity to direct their financial support to their chosen coaching staff and team.

Why give?

Funds from the Coaches Clubs are a major component in helping athletic programs at New College compete at the highest level of collegiate athletics. Coaches Club helps develop elite talent into championship student-athletes both in the classroom and in competition.
