

Degree Pathway – Associate of Arts to NCF Psychology

This Degree Pathway supplements that Memorandum of Understanding between Daytona State College and New College of Florida effective as of August 1, 2021.

The following is a prescribed curriculum for completing an AA degree for transfer for a **Psychology Area of Concentration at New College of Florida**. Developmental courses and prerequisite course requirements, credit loads, and/or course availability may affect a student’s individual progress. Students should always consult their online degree planner and/or advisor(s) for the catalog year they entered their college and contact their academic advisor to better understand typical course availability and individual program planning.
