

**Motion:** The AAC suggests to the faculty renaming Group ISPs to Group Study Projects. (Consensus two AACs ago) : Discussion: should we recommend requiring that at least one ISP is a truly individual academic ISP? Students not ready for individual research come thesis time. (BH)

**Provost**

PTR Files

Mentorship Lunches

Space issues: hiring, offices, labs, storage (SG)

Research in countries of concern (BH)

**Admissions/Financial Aid:**

First Billing for students “snap shot”

**Human Resources:**

Search process for this year (BH)

Visiting Professor extensions for next year where we are unable to do a search (BH)

Adjunct Discussion

**Office of The Registrar:**

SES - continuing issues that make it hard to advise and even cert contracts in a timely manner. (BH)

- \* cannot see evals in progress, now cannot even see completed evals
  - > can't catch a struggling student early, can't certify contracts early
- \* PAOC and AOC/Thesis forms not recorded -> can't catch late ones or advise on AOC
- \* Errors in LAC/CYC, especially regarding civic lit
- \* No GE tracker – especially important when there are questions about transfer credit.
