Additionally, these laws prohibit possession and use of alcohol by underage persons, distribution of alcohol to underage persons, sale of alcohol without a license, and driving under the influence of alcohol or illicit substances.

Penalties for violation of drug laws include fines, imprisonment, and other restrictions and removal of civil liberties and privileges. If any unlawful distribution of drugs gives rise to the unlawful death of a human being, it is punishable as a capital felony. Penalties for violation of

alcohol laws may include the revocation of driving privileges, fines, and imprisonment. A student or employee who violates the 6-3004 Alcohol and Other Drugs policy is subject both to the institution’s sanctions and to criminal sanctions provided by federal, state, and local law.
